 Shahnary Tehsil Khar, District Bajaur

This is to certify that Mr. Najeeb Ullah served as a Laravel Developer in our Software House from 2022 to 2025 for a period of three (03) years. During his employment, he consistently demonstrated strong technical skills, professional conduct, and dedication toward his responsibilities.

Mr. Najeeb Ullah possesses solid knowledge and hands-on experience in the following technologies:

Laravel Framework, JavaScript, jQuery, HTML, CSS, Bootstrap 5 and MySQL

Throughout his tenure, he worked with sincerity, responsibility, and a positive attitude. His ability to develop efficient web applications, maintain clean code, and collaborate with team members was highly appreciated. He has contributed significantly to multiple projects and maintained a high standard of professionalism. We wish him all the best in his future endeavors. He will always be welcomed for any further assistance or verification.

Sincerely,

Ahmed Zaman
General Manager
